

Prof. Hübner is a Member of the Delegation for relations with Mexico, a Member of the Delegation to the Euro-Latin American Parliamentary Assembly (DLAT), and a substitute Member of the Delegation for relations with the United States.

Committees meet in public, once or twice a month, generally during the weeks that follow plenary sittings in Strasbourg. The meetings are broadcasted live (through EP Live).

The current precautionary measures adopted by the European Parliament to contain the spread of COVID-19 do not affect work on legislative priorities. Core activities are reduced, but maintained to ensure that the institution's legislative, budgetary, scrutiny functions are maintained.

The meetings are held with remote participation for Members (being able to view and listen to proceedings, ask for the floor and intervene in the meeting). Other participants are invited to follow the meeting through webstreaming.
